

NOTICE REGARDING THE ACCESS, MANAGEMENT, AND SERVICE OF SEALED DOCUMENTS

Please be advised that on October 2, 2025, the court issued General Order No. 128 outlining new procedures regarding the service, access, and management of sealed documents. Under these new procedures, sealed documents will continue to be filed in CM/ECF under the court's existing procedures but will no longer be accessible or viewable via electronic means. Accordingly, service of those documents must be made outside of CM/ECF as provided by the Federal Rules of Procedure.

The court will serve sealed orders and notices by secure electronic means (encrypted email) or in paper by mail. A person authorized to view sealed documents can request a copy by contacting the Clerk's Office.
