**NOTICE TO TOWN CLERKS REGARDING  
SUBMISSION OF VOTER REGISTRATION CHECKLISTS**

While § 2151 of Title 17 Vermont Statutes Annotated requires each Vermont city or town clerk to send an unmarked voter registration checklist to the clerk of court for the U.S. District Court for the District of Vermont after each Presidential Election, this Notice hereby informs State of Vermont city and town clerks **that this requirement is no longer necessary**. Effective this date, the Federal court will now receive voter registration information in the form of a consolidated, state-wide **automated database** which will be provided by the State of Vermont, Department of Information & Innovation. City and town clerks, however, should continue to update the individual voter registration listings that they are responsible for using the new, state-wide automated database fielded through the Vermont Secretary of State's Office. In this way the Federal court will continue to receive the most current, updated, voter registration information, which forms a basis for its jury pool.

Any questions regarding this procedural change may be addressed to Kathleen Carter, U.S. District Court Jury Administrator, at (802) 951-6395 Extension 110.
